WELCOME

Welcome to the world of Neutral®. It's a place where we believe it's okay to make certified clothing. There are so many good stories to share and we try to do just that throughout this catalog. Being sustainable is okay. Certified okay!

NEUTRAL® 2019

This year, we are introducing 18 new products and 3 new colors to our range! We now have workwear with 20% recycled polyester. Lots of new bags, warm knitted beanies and one sustainable cap. Also worth mentioning is a new looong t-shirt for the ladies. And lastly, the talented artist MAT MAKES STUFF has helped us illustrate sustainability. We hope you like the drawings. Enjoy!

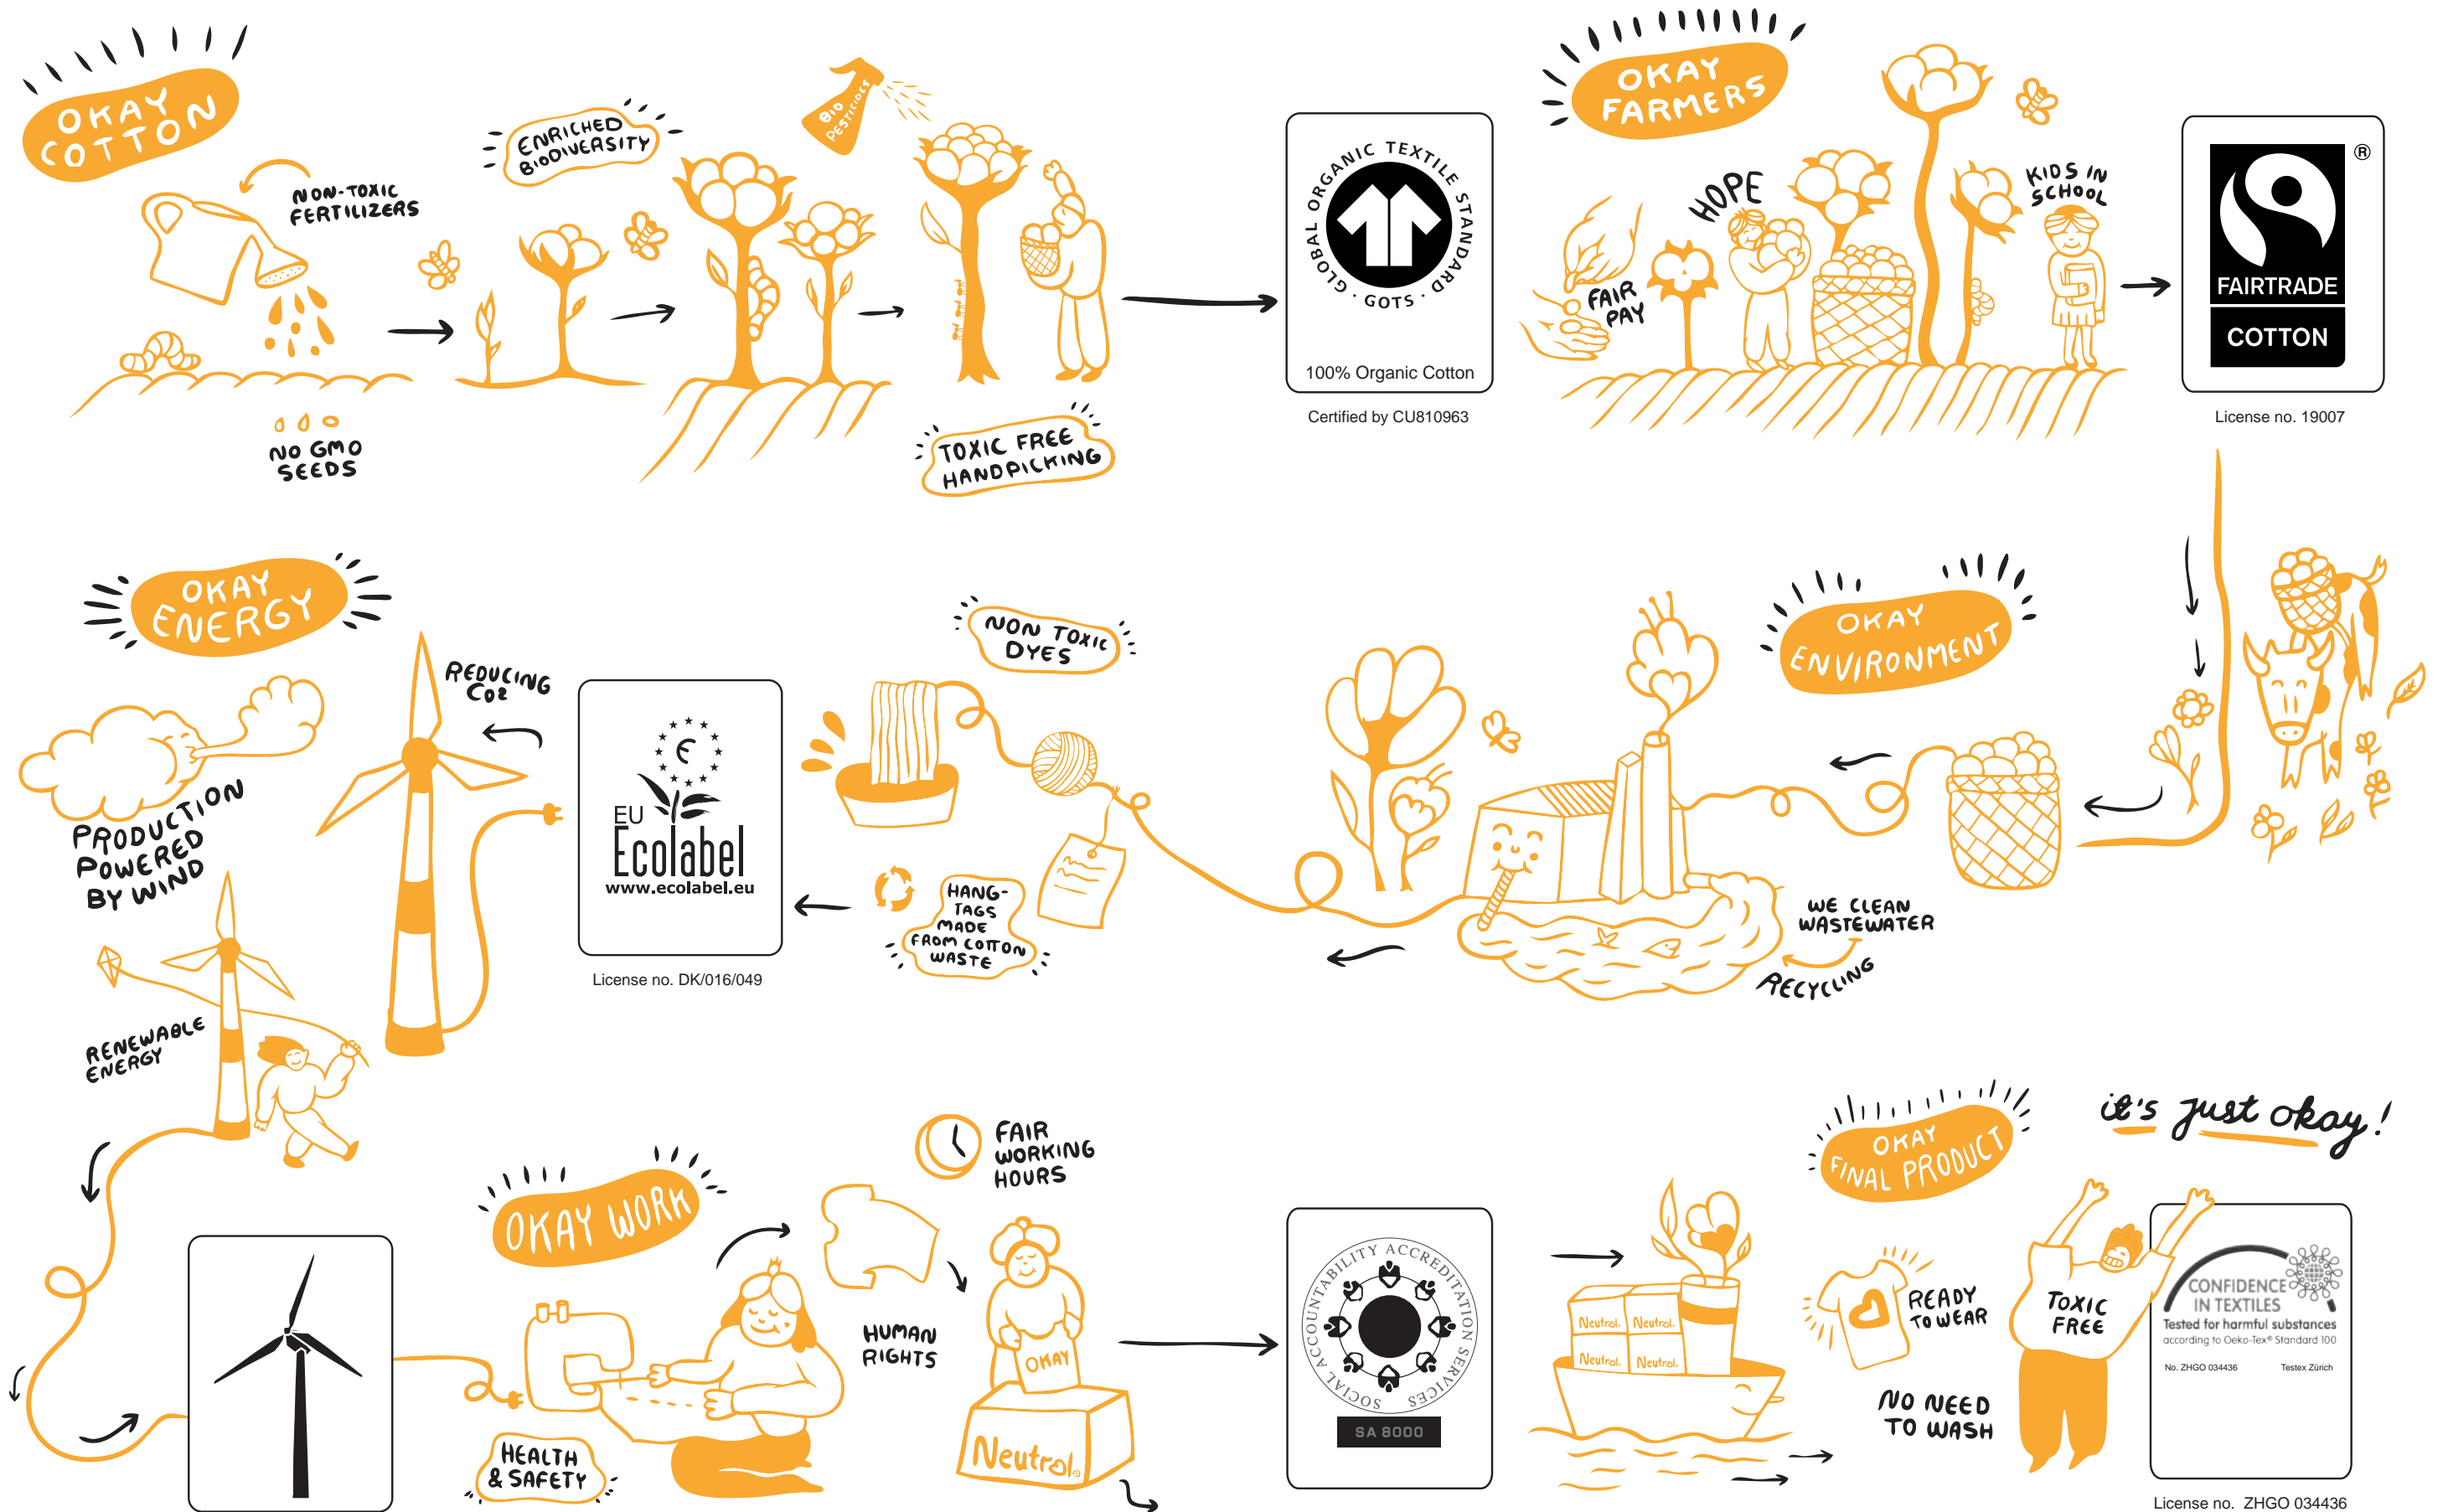

CERTIFIED RESPONSIBILITY™

Making sustainable clothing can be tricky. But with certificates, it doesn't have to be. They guide us through the supply chain, from cotton field to final product, telling us what's okay. That's why our certificates are more than just funky looking stamps. They are your guarantee that Neutral® products are made according to the highest standards in the world.

FROM OKAY COTTON

TO OKAY T-SHIRT!

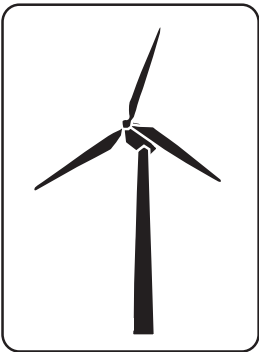

CERTIFIED RESPONSIBILITY™

Certified by CU810963

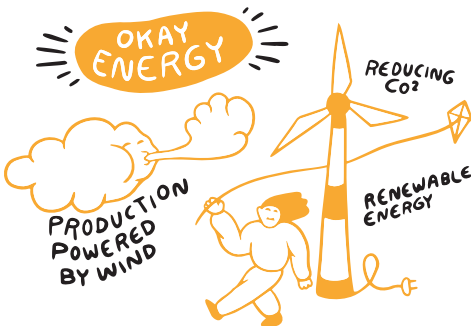

GOTS

Neutral® products are made from 100% organic cotton certified by GOTS. It's biological fertilizers and earthworms instead of chemicals, cleaner rivers and ground-water, enriched biodiversity and toxic free handpicking by the farmers.

NEUTRAL® RESPONSIBILITY

Instead of using conventional energy Neutral® products are manufactured using renewable energy. That way, Neutral® Responsibility helps reduce CO2 and is beneficial for both local environment and global climate.

License no. 19007

FAIRTRADE

Fairtrade isn't charity. It's an okay way to trade. Farmers growing Neutral® cotton receive a fair price for their crops. With the Fairtrade minimum price and Fairtrade Premium, they can invest in better tools or send their kids to school.

SA8000

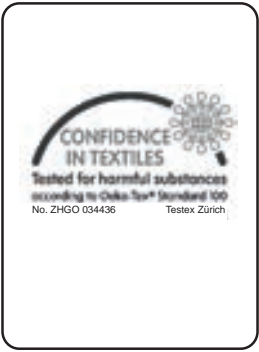

Factory workers are hardworking people. It's okay when they have good, safe working conditions. By using SA8000, the highest international labour standard, we know that's the case.

License no. DK/016/049

EU ECOLABEL

We treat and reuse wastewater and reduce and recycle waste. We only use the most environmentally friendly dyes and continuously innovate the way we make clothing. All according to the highest industry requirements demanded by the EU Ecolabel.

License no. ZHGO 034436

OEKO-TEX

Oeko-tex screens your finished product for hazardous chemicals and any other harmful substances. That way, Oeko-tex becomes your final okay stamp and guarantee. Neutral® clothing is clean and ready to wear. No need to wash, just 100% okay!

OKAY FACT #2

MORE SUGAR PLEASE

Instead of spraying with toxic chemicals, Neutral® cotton farmers use biological pesticides like sugar water. Ants love sugar and now have a new best friend and food supply in the cotton plant, which they'll defend from intruders like beetles and pest attacks. Okay ants. Okay crop protection!

OKAY FACT #4 FAIRTRADE ISN'T CHARITY

Indian farmers have a hard time making a living from selling cotton due to weak bargaining positions and highly volatile prices in the global cotton market. Fairtrade complements market mechanisms, giving Neutral® farmers a fair chance to improve their lives. A fair deal is an okay deal!

SMART FARMING

Organic cotton doesn't need harmful chemicals to grow. It uses less water. And it leaves room for small creatures like worms and beetles, improving soil quality. Finally, it saves farmers and their families from pesticide related diseases.
